I love to write efficient code and apply my coding skills on complex problems and actively looking for challenging and exciting opportunities in the field of software industry

## EDUCATION

### High School-

St. Georges School

2018

Agra

### Intermediate-

Smt.Shridevi Awasiya Vidyapeeth

2020

Agra

### B.Tech CS

GLA University

09/2020 - Present

CPI-7.8

## ACHIEVEMENTS

5\* at hackerrank

2\* at codechef

solved 500+ questions on different platforms like codechef , leetcode, codeforces etc.

## PERSONAL PROJECTS

### MY portfolio website

A brief about my projects and myself.  
Language used HTML and CSS

### To-do List

We can write our important tasks here. Used language HTML, CSS and Javascript

## SKILLS

c++

java

Data Structures

Algorithms

html

css

javascript

object oriented programming

matlab

## CERTIFICATES

Hackerrank Problem Solving(Basic)

Google KickStart

competed in two rounds

Data Science Jovac(gla)

Learned about statistics and big data in Summer

Infosys-Springboard HTML

## EXTRA/CO-CURRICULAR ACTIVITES

She-Codes

participated in coding contest for girls by codebusters Club(gla)

Java-programming

attended a workshop by Great learning Academy

## LANGUAGES

English

Professional Working  
Proficiency

Hindi

Native or Bilingual Proficiency

## INTERESTS

Coding

Developement

technology
